Songpati Latin Band

Venezuelan Folk Music Ensemble

Established in Dec 2014, Songpati is a Latin music band that was created to bring new rhythms, diversity and to enrich BC's multiculturalism. The band is formed of experienced musicians that have been performing regularly in BC and overseas for over 20 years.

We focus in songs taken from one of the many Venezuelan genres, Gaita Zuliana, which is influenced by African and Spanish rhythms, providing a style of music that is engaging yet unpredictable and evocative using instruments such as cuatro, maracas, tambora, furruco, charrasca.

Songpati has performed in different venues in the Lower Mainland, including Carnaval del Sol, Caffe Roma, Playa Tropical Mexican Restaurant, Original's Mexican Restaurant, VCSBC "A touch of Venezuelan Charm", Surrey Fusion Festival, Richmond World Festival, Binomio de Oro, Picnic Independence Day of Colombia among others.
